- Set dressing
- Scenic art
- CAD: AutoCAD/Sketch-up/Fusion360
- 3D Printing
- Adobe Photoshop
- Sculpting
- Lighting design, rig, programming and operating - ETC ION
- Pyrotechnics

## HOBBIES & INTERESTS

I enjoy being creative, whether simply scrap booking or buying a VW Caddy van to create my own mini camper. The natural world and all things organic are what inspire me most. I enjoy reading and watching films. My love of stories and being creative led me to pursue my current career path within storytelling.
